China Airlines Upfront Commission Reminder

Date: 15 October 2026

Dear Travel Partners,

Please be advised that the China Airlines (CI) upfront IATA commission for Trans-Tasman travel (AKL-BNE vv) is 0% for all (297) tickets sold and issued in New Zealand.

For long-haul itineraries ticketed in New Zealand and originating in New Zealand, with travel to TPE or beyond, the commission remains at 2%.

Commission for tickets issued in New Zealand where the itinerary does not originate in New Zealand (SOTO) is also 0%.

Please note that any tickets issued with an incorrect commission rate will be subject to an Agency Debit Memo (ADM) to recover the overpaid commission. An administration fee of NZD 38 per ticket will also apply.

Thank you for your attention and dissemination to all concerned staff.

Thank you for your continued support of China Airlines!

Please feel free to contact us if you have any further questions
